ACKNOWLEDGEMENT

It gives all of us great pleasure in presenting the preliminary project report on “College Website”. With due respect and gratitude we would like to take this opportunity to thank internal guide for our project **Mrs. Amruta Deore** for giving us all the help and guidance we needed. We are really grateful for this kind of support. She has always encouraged us and given us the motivation to move ahead. He was put in a lot of time and effort in this project along with us and given us a lot of confidence. Also we wish to thank all the other people who have helped us in the successful completion of this project.

ABSTRACT

College Website can be used to the student who would like to know about the particular college details and that's specifications, benefits, and where it's placed all kind of this things.so it's very useful to know all the details of particular colleges. If anyone want to know the details of any college they are don't want to go that particular college in directly, They only check that particular college website it's very useful to check the details.

Chapter 1

INTRODUCTION

1.1 INTRODUCTION

The objective of College website is to leaves a positive first impression with visitors , including current and prospective students , parents, faculty and staff, institutional partners, and any other seeking information .The main purpose of this College Website is to provide timely, engaging , and current information to your current parents, students , staff, and community . and attract new students (through their parents. and to recruit quality staff. And it is used to who searching the college to join its very useful for them. and knowing that particular college full details . like placement offers, Departments, Contact details all those things. We have to used different types of module in College Website. Throughout the project the focus has been on presenting information in an easy and intelligible manner.

1.2 SCOPE

A university web presence is extremely important because visiting the website first is found to be precursor to visiting the campus. Without a College Websites ,The student will be face many problems for find the college Management details , placement details , contact details this kind of details.

1.3 SYSTEM REQUIREMENTS

1.3.1 Software Requirements

- 1.Operating System – Windows 10.
- 2.Platform – Notepad++
- 3.Languages – HTML & CSS & JAVA SCRIPT

1.4 MODULE

1.4.1 Login Page :

Login module will help in authentication of user accounts. Users who have valid login id and password can only login into their respective accounts.

```
<!DOCTYPE html>

</ul>
</header>
</div><br><br>
<h1>University College Of Engineering Villupuram</h1>

</body>
</html>
```

1.4.8 Image Gallery Page

The first and most obvious purpose of including a image gallery to in websites is displaying the college Structure and Services . Adding an image gallery in websites will not only make your page more attractive but will also engage your visitors and increase the time they spend on page.

```
<!DOCTYPE html>
<html>
<head>
<title>Image Gallery</title>
<style>
html{
background-color:gray;
}
.container{
max-width:1200px;
margin:auto;
background:#f2f2f2;
overflow:auto;
}
.gallery{
margin:5px;
border:1px solid #ccc;
float:left;
width:585px;
}
.gallery img{
width:100%;
```

```
</div>
<div class="gallery">

</div>
<div class="gallery">

</div>
<div class="gallery">

</div>

<div class="gallery">

</div>
<div class="gallery">

</div>

</div>
</div>
</body>
</html>
```

TRAINING & PLACEMENT CELL

The Training & Placement Cell (TPC) of University College of Engineering Villupuram (UCEV) was established during the academic year 2010. The TPC performs all placement related activities under the guidance/support of Dean, UCEV and Centre for University - Industry Collaboration (CUIC), Anna University Chennai. The main focus of TPC is to produce professionals with sound technical skills and desires to make them compete in global arena. The TPC ensures a conducive atmosphere to create good relationship between institute and corporate. The TPC provides necessary infrastructure and hospitality to the guests for conducting training programmes and placement drives.
